Letter of Recognition

The Accord on Fire and Building Safety (Accord) hereby recognizes that:

Caesar Apparels Ltd - New (12657)
Yakub Synthetic Building, PBA Road, Moijjartek, Shikalbaha, Upzilla: Patiya, Chittagong

Has successfully completed all remediation measures required from the Accord initial inspections for fire, electrical, and structural safety conducted in *December 2016*.

Accord engineers have physically verified that all items of the corrective action plan, developed from the Accord initial inspections and approved by the Accord Chief Safety Inspector, have been correctly repaired[1].

The Accord initial inspections covered minimum life safety issues in the areas of fire, electrical, and structural safety based on an inspection standard developed with the Government of Bangladesh and national and international safety engineers through the facilitation of the ILO.

Factory safety is a continuous process which requires regular monitoring, maintenance, and in-factory safety systems and practices. The Accord will continue to support the factory managers and workers in institutionalizing and further advancing such culture of safety and health at the factory.

The Accord extends our congratulations to ***Caesar Apparels Ltd - New (12657)*** for achieving this safety milestone.
